If You Could Ask God One Question...

By Paul Williams & Barry Cooper

If you could ask God one question, and you knew that He would answer, what would it be?

Paul Williams and Barry Cooper have spent several years asking people that question. And inside this book, they reveal the results: the 12 most frequently asked questions about God.

But this isn't just a book about questions. There are answers too. Answers from the lips of the most powerful, insightful and extraordinary figure in all of human history.

The One Big Question

By Michael Baughen

Tackling the difficult question of suffering, Bishop Michael Baughen challenges the reader to keep returning to the cross.

Readable and personal, he uses people's own experiences of suffering and how they have dealt with what they have gone through. With a conversational tone Michael Baughen tackles this 'One Big Question' for both believers and for those looking to understand suffering from a Christian perspective.

Well equipped to address this topic with over 50 years of pastoral experience in several Anglican parishes Michael Baughen was also the Bishop of Chester and has been a member of the House of Lords. He has authored several books and still serves as assistant Bishop in his retirement.
