

LIVING IN LOVE & FAITH

The Living in Love and Faith course explores questions of human identity, sexuality, relationships, and marriage.

About the course:

‘We need a radical new Christian inclusion in the Church. This must be founded in Scripture, in reason, in tradition, in theology and the Christian faith as the Church of England has received it; it must be based on good, healthy, flourishing relationships, and in a proper twenty-first century understanding of being human and of being sexual.’ *Archbishops of Canterbury and York*

“Its purpose seems not necessarily to change people’s minds on the subjects, but to help them to understand better and to accept as still faithfully Christian, views that differ from their own.” *From the Church of England Facebook page*
